

Call for Abstracts Announcement 2022

Faculty of Dentistry, RCSI and American Academy of Pediatric Dentistry (AAPD) Joint Annual Scientific Meeting

Friday, October 28th & Saturday, October 29th 2022: Royal College of Surgeons in Ireland, Dublin 2

IMPORTANT GUIDELINES - PLEASE READ CAREFULLY:
CLOSING DATE FOR RECEIPT OF ABSTRACTS: 15th August 2022

We would like to invite participants of the joint RCSI/AAPD Symposium in October to enter abstracts for the Dr. William Fenlon Award 2022. This Prize will be awarded for the best Poster presented at the Scientific meeting in the Royal College of Surgeons, Ireland in October 2022.

There are two categories:

- (a) Scientific research** related to Paediatric Dentistry &
- (b) Clinical case presentation** in Paediatric Dentistry.

- The organising committee will scrutinise all submitted abstracts and will admit up to 40 posters to be presented at the meeting.
- **The abstract will be limited to 300 words, excluding the title (maximum 10 words) and the headings, and in a WORD document as an attachment sent through the link below. It should only include text. Please do not include images, figures or graphs**
- **Accepted abstracts will be offered a timed 3 minute presentation in a parallel setting during the Conference to present their work in an A0 poster format to a selected panel of judges from RCSI and the AAPD, competing for the William Fenlon Award 2022.**
- **All presenters must register for the Conference**
- **The acceptance of any abstracts/posters is subject to the presenting author (usually the first author) having enrolled and will be present at the Scientific Meeting**
- Each abstract will contain the following headings:

For Scientific Research Posters: a) Introduction, b) Method c) Results d) Conclusions.

For Clinical Case Presentations: a) Introduction, b) Diagnosis, treatment planning and execution of treatment c) Outcome and future care.

- The name(s) of the Author(s) should appear, Presenter's name first, as surname(s), initials without punctuation, and without titles or degrees (e.g. Smith, AB - maximum of 4 authors)

- The First author of the abstract/poster must be no more than 10 years qualified as a dentist or 5 years qualified as a Paediatric Dentist or currently in training to be a Paediatric Dentist.
- All communication will be with the submitter's email as detailed on the electronic submission form.
- If the abstract has been accepted, the submitter will be responsible for creating an A0 online e-poster which must be completed and submitted no later than 4 weeks before the meeting date, ie. before September 29th 2022.
- All submitted material, if accepted, will be used in an unedited form to create abstract booklets and similar materials.
- The submitter will take full responsibility for the spelling of names, affiliations, and other content.
- Participants will indicate which category their abstract should be entered.
- Entry details must be supplied within the electronic entry form. Incomplete entry forms will not be considered.
- Abstracts should be submitted through the below link and the deadline for submission is August 15th 2022.
- The decision of the evaluation panel and the judges will be final and binding.

All abstracts should be submitted via the following link:
